who is eareful to protect biniself in money matters, is careless about health-his most valuable asset.

For many, coffee drinking silently undermines health, because each cup contains about 2% grains of the cinoulative, harmful drug, caffeine.

Five to six grains of caffeine will kill a rabbit or a cat. and repeated daily will cripple a man.

How cripple a man? The carfeine, little by little, causes hardening of the arteries and premature old age, showing more in some than in others.

Some of the symptoms of caffeine poisoning are headache, nervousness, biliousness, heart flutter, sleeplessness at

night, and "fag" after coffee's reaction in the daytime. The way to avoid all coffee troubles is to leave coffee alone and use
